SOFTWARE DEVELOPMENT

The company provide software solution.

MEDICAL SERVICE

The company engages in the business of medical products, having our own website for online selling of drugs to local customers and agents.

EDUCATION SERVICE

Recruiting and training for pupils and students who want to study abroad.

2T Education , formerly known as 2T Software, was established in 2009. Over many years of development, the company has sent thousands of students abroad each year worldwide. Additionally, the paid internship program started by 2TE has been in operation since 2016. Every year, we send hundreds of students to countries such as Japan, Singapore, Canada, Australia, etc., for internships. In recent years, we will connect and expand this program to enterprises in Taiwan.

STUDY ABROAD CONSULTING

We advise customers on study abroad programs such as bachelor's, master's, doctoral, paid internships, scholarship opportunities, etc., at schools in the countries they study. Committed to handling documents with credibility, transparent finances, and accompanying families and students throughout their studies abroad.

COLLABORATION

We collaborate with both domestic and international institutions to create diverse opportunities for students. This helps students develop academically, build their careers, and shape a promising future.

LANGUAGE CERTIFICATE TRAINING

Basic language training, interview skills with schools, and standard classes with 10-20 students, ensuring interaction throughout the learning process. The curriculum and teaching methods are designed to guarantee successful outcomes for all students.

According to statistics, there are currently thousands of foreign enterprises investing in Vietnam, especially from Korea, Japan, Germany, etc

Studying abroad is an option that helps workers increase job opportunities, experience, and knowledge.

PARTNERS IN VIETNAM

2T Education is proud to be a strategic partner of many prestigious universities and colleges in Vietnam. As part of our integration program, we facilitate student internships abroad, ensuring both the quantity and quality of students to meet the entry requirements of international enterprises. Below are the Vietnamese institutions we are collaborating with to implement the Paid Internship Program worldwide.
